

ACTIVE LIFE CLUB – Active Communities Project

The grant will be used to continue to deliver activities, improving health and well-being in Govanhill.

BIG NOISE GOVANHILL – Big Noise Govanhill October 2022 Holiday Club

Big Noise will deliver a free holiday club over the October Holidays which will provide free fun and creative activities for young people in Govanhill, including music, crafts and outdoor games.

GLASGOW ZINE LIBRARY – Govanhill Arts and Crafts After School Project

The grant will support the year-round after school club, which used arts & crafts to support young people in developing skills, self-expression, improving mental health & well-being and tackling loneliness

GOVANHILL BATHS COMMUNITY TRUST – Community Well-being with Govanhill Baths

The grant will continue to support young people in Govanhill to get active, socialise, learn new skills and improve access through the provision of childcare, travel expenses & much more

GOVANHILL COMMUNITY GARDEN – Govanhill Community Garden Well-being Project

The Grant will help to provide a well-being programme within Govanhill Community Garden, including a gardening training programme, family fun day and men's group programme of activities

LARKFILED COMMUNITY CENTRE – Opportunities for Women

The grant will support the continued delivery of services to local women, to improve fitness, well-being, learning about beauty & alleviate social isolation bringing them together

MILK – After School Homework Club

The grant will enable MILK to facilitate a weekly volunteer run homework club for young people facing barriers to education. Particularly those from a low income background or with parents who do not speak English

MUSIC BROTH – Get Creative!

The grant will enable 30 hours of musical workshops for young people to express their creativity in our inclusive welcoming library hub with fully subsidised option to take instruments home for further self-expression

THE FEEL GOOD WOMEN'S GROUP – Fitness and Friends

The grant will enable exercise classes to continue. These classes improve both physical and mental health and reduce social isolation

WOMEN ON WHEELS – Women on Wheels

The grant will support the continued cycling services (lessons, maintenance classes and events) provided and will support the new set up of a loan bike library to our services to provide access to bikes for those who can now cycle.
